

MRS. BRENTS DONE GREAT GOOD BY VIN HEPATICA PRESCRIPTION

Well Known Louisville Woman Says Vin Hepatica Prescription Brought Her Back to Health Again After All Other Medicines Had Failed.

Mrs. Mary Brents, 928 Burnett Avenue Louisville, Ky., who had been a chronic sufferer for five years and in bed for almost a year and half and under constant care of physicians, says:

"I gladly recommend Vin Hepatica for the great good it has done me in restoring my health when everything else had failed. Had been in bed for almost a year and a half with doctors attending me constantly, but I received no

relief whatever.

"I read in the papers about Vin Hepatica and went and got a bottle. The very first dose seemed to help me."

Just such testimony as this comes in from every quarter. Vin Hepatica is truly a wonderful remedy. Come in, get a bottle and try it on our recommendation.

TRIBUTE OF RESPECT.

Whereas, death has come again into our ranks and Lem Thompson, our brother and friend, has paid the price that all men must pay and has crossed that unknown, shoreless, sunless sea of death whose motionless bosom has never yet been shadowed by returning sail; and,

Whereas, he had been for a number of years a faithful member of Camden Lodge No. 179 F. and A. M.; was true to the tenets of the order; a firm believer in its teachings and practices and loyal, not only to the principles of the craft, but to every brother Mason; and,

Whereas, he was a true Christian character, of splendid habits and of good repute; was possessed of a strong mind, a man of lofty aspirations and splendid attainments; and he left behind a record of real worth and of which his friends and loved ones can speak without the blush of shame; and,

Whereas, he died in the firm belief of the triumph of a living faith; that there is a God supreme who rules in the lives and hearts of men, that if a man lives the life of service and sacrifices here and in accordance with God's eternal plan he will be permitted to live forever hereafter in the "Mansion of the skies;" therefore,

Be it resolved, that we extend to the friends and loved ones of our deceased brother our sympathy and condolence in this hour of their sad bereavement and commend them for comfort to him who knoweth and doeth all things well.

Be it further resolved, that a copy of the resolutions be spread upon the minutes of the lodge and a copy be furnished the family of the deceased.

Respectfully submitted,
JOE F. ODLE.
D. J. ALLEN.

THE STATE COUNCIL.

Nashville, Tenn., October 3—The Council of National Defense is sending out to the various State Councils notices to be on the watch for all organizations engaged in soliciting funds for war work, which have not secured the endorsement of the respective State council. "I am anxious that the generosity of the citizens of Tennessee be not imposed upon," said Major Smith, chairman of the Tennessee Council, "and if there is any doubt in the minds of citizens regarding the regularity of any organizations soliciting war funds, the proper thing would be to communicate with the State Council."

Under recent plans practically the major war funds are solicited under the head of United War Work Campaign, but there are a number of minor war activities which are regarded as essential.

Sylvia Wynn and Miss Anna Vaughn, popular people of Crooked Creek, were married last week. The Chronicle extends congratulations and best wishes.

Word came by cable yesterday afternoon that militant Germany had agreed to the Allies terms of armistice.
